

Ordinal Numbers

This is tricky! Can you sort out where each item should go on the grid?

Draw a red circle in each box in the 5th column from the left.

Draw a yellow circle in each box in the 2nd column from the right.

Draw a green circle in each box in the 1st row from the bottom.

Draw a blue circle in each box in the 4th row from the top.

Draw a sunshine in the box in the 4th column from the left and the 2nd row from the top.

Draw a flower in the box in the 2nd column from the left and the 6th row from the top.

Draw a tree in the box in the 4th row from the bottom and the 4th column from the right.

Draw a house in the box in the 10th column from the right and the 7th row from the top.

Draw a fish in the box in the 10th column from the right and the 2nd row from the top.

Draw a bicycle in the box in the 9th row from the top and 3rd column from the left.

Colour the remaining boxes green or blue.
